

# 2012 ALTERNATIVE FUELED VEHICLE ROADSHOW

		presented by  <b>CLEAN CITIES ATLANTA</b> PARTNERSHIP FOR CLEAN TRANSPORTATION	
		<b>EXTENDED!</b> June 19 - 20 June 25 - 26*	

## 2nd Annual Alternative Fueled Vehicle RoadShow visits Macon and Savannah.

Public Service Commission Chairman [Tim Echols](#) has just extended the 2nd Annual AFV Georgia Roadshow Tour with an up-close look at Alternative Fueled Vehicles. Adding stops in Macon and Savannah, the tour provides an educational look at EV, Propane, CNG, LNG and bio-fuels in today's transportation.

Ever wondered what options you have for saving money on gasoline? The AFV Georgia Roadshow is a showcase and live discussion, with the experts to answer all of your questions. Vehicles powered by electricity, propane, and compressed natural gas will be on display for you to see, touch and hear, along with a series of short presentations on understanding the alternatives to traditional gasoline and how they are helpful..

The car/truck showcase has been touring the state with stops in Atlanta, Winder, Statesboro, St. Simons, Braselton, Thomasville, Dublin and Norcross. Macon City Hall and Savannah Technical College will host the events on 6/25 and 6/26 for the extended portion of the Tour sponsored by Parker's Convenience Stores, No Petro, and Macon Chamber of Commerce. \*No taxpayer dollars are being spent to support this tour.

The events are FREE and open to the public, but roundtable space may be limited.
